Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you that TCI Express Ltd. ("the Company") is closely monitoring the Coronavirus situation. Our top priority at this moment is the safety and well-being of our employees, customers, vendors and all other stakeholders across all our sorting centers, vehicles, branches and offices. The Company has implemented various preventive measures to restrict the spread of COVID-19.

The direct impact of Coronavirus on our business and operations is expected to be very limited, given our unique asset light model with majority of revenues from the B2B segment. Further, the Company being in the "Essential Commodities and Services" list has reorganised its operations with all safety, security and other measures in line with guidelines issued by the government healthcare departments.

All our routes, branches and sorting centers are operational to the extent permitted and allowed under various notifications of state governments/ Central governments from time to time. The Company remains socially responsible and continues to operate its business with more agility and efficiency during this difficult macroeconomic scenario.

The situation will continue to be closely monitored and appropriate actions initiated which will also be communicated at the appropriate time as required.
